Cardiology Advice

For **all other cardiology** advice including emergency pacing and pericardiocentesis:

Weekday 0900-1700 and Saturday am

Call RAH CCU extension 07012

- Ask for responsible CCU Cardiologist who can then be contacted on mobile (via switchboard) if not immediately available on the ward.

Out of Hours (all other times)

Call GRI or QEUH switchboard

- The on-call registrar will be on one of these sites (split rota), may need to try both sites
- Ask for ST in Cardiology who will advise, attend RAH or transfer patient depending on individual case.
