

Fracture clinic follow up

Royal Hospital for Children – Glasgow

Your child has attended with an injury and needs a follow up appointment at the Fracture Clinic with the Trauma and Orthopaedic Team at the Royal Hospital for Children in Glasgow.

The staff will have given you an appointment date and time to attend the:

Fracture Clinic
Royal Hospital for Children
1345 Govan Road
Glasgow, G51 4TF

At this appointment, book into the main reception at Outpatients and they will tell you which clinic area to go to.

Your child may:

- require an x-ray,
- have a cast applied, changed or removed
- be reviewed by a clinical member of the Trauma and Orthopaedic Team.

This clinic can be very busy and we work very hard to get patients treated and discharged as quickly as we can however please be prepared to be in the hospital for at least 1 hour.

If you have any issues or questions please contact our

Acute Orthopaedic Trauma Liaison Team

☎ 0141 451 5644 or ☎ 0141 451 8497
