

What is the Advice Line?

Some of our Specialist Children Services (SCS) have an advice telephone line, where parents / carers can seek advice and support for children and young people, with day to day activities.

The service covers - Physiotherapy, Speech and Language Therapy and Occupational Therapy.

You can find lots of helpful advice and resources on the NHSGGC KIDS website - www.nhsggc.org.uk/kids

Speech and Language Therapy:

Wednesday
10am – 12 noon

Please phone if you need any advice about your child's speech, language or communication.

Occupational Therapy

Thursday
9.30am – 12 noon

Please phone if you have questions or are worried about how a child or young person is managing:

- Self-care – dressing, washing, toileting, eating and drinking
- Play – playing with toys, playing outside, joining in at clubs or sports
- Work – nursery, school, writing, using scissors or being organised

Physiotherapy:

Tuesday
11am – 1pm

Physiotherapy can support children and young people who have difficulties with movement. This can affect physical development, activity in play, learning and socialising.

Please phone if you need advice about:

- The development your child's movement skills - rolling, crawling, walking.
- Recovery from joint pain or injury
