Teaching takes place on Thursday afternoon from 14:00-16:30  
RAH- Teaching is held in the ED Seminar Room in Resus  
IRH- Teaching is held in the Consultants' Office via telemedicine link

If there is no teaching scheduled and you are on the FY2 rota and have the 14:00-17:00 shift- DO NOT ASSUME that you have the day off. Liaise with the RAH Major's Consultant for that day.

### Case Presentations

Presentations should be about 5 minutes long and should be a interesting case you have encountered during your time in A&E. A short and focussed discussion of salient point should follow. It would be appreciated if cases could be delivered on electronic format. Feedback will be given on style and content.

### Feedback

Feedback on any aspect of the teaching programme is welcome and should be addressed to Dr. Ray
